

Curriculum Vitae

Name: Naohiro Hohashi, PhD, RN, PHN, LSN, HS, FAAN
Sex: Male
Nationality: Japanese
E-mail: naohiro@hohashi.org Alternate: nhohashi@gmail.com
URL: <https://nursingresearch.jp/>

Office address: Division of Family Health Care Nursing, Department of Nursing, Faculty of Health Sciences,
Graduate School of Health Sciences, Kobe University
7-10-2 Tomogaoka, Suma-ku, Kobe,
Hyogo 654-0142, Japan
Phone: +81-50-3748-4213

Education: BS in Health Sciences and Nursing, The University of Tokyo, March 1997
PhD in Health Sciences, The University of Tokyo, March 1995
MS in Health Sciences, The University of Tokyo, March 1991
BS in Health Sciences, The University of Tokyo, March 1989

Degree: PhD in Health Sciences (Issue no. 12523), The University of Tokyo, March 1995

Work experience: Department Director, April 2012 to present
Professor, April 2006 to present
Associate Professor, April 2001 to March 2006
Division of Family Health Care Nursing,
Department of Nursing, Faculty of Health Sciences,
Kobe University Graduate School of Health Sciences, Kobe, Japan

Lecturer, April 2000 to March 2001
Assistant Professor April 1997 to March 2000
Department of Family Nursing,
The University of Tokyo, Tokyo, Japan

Assistant Professor, April 1995 to March 1997
Department of Public Health,
Toho University, Tokyo, Japan

Assistant Professor, May 1993 to March 1995
Department of Family Nursing,
The University of Tokyo, Tokyo, Japan

Other work experience: Part-time Lecturer (Microbiology), Kosei School of Nursing, Tokyo, Japan, April 1990 to March 1997

Part-time Lecturer (Physiology), Tokyo Metropolitan Matsuzawa School of Nursing, Tokyo, Japan,
April 1991 to March 1995

Consultant, New Media Office, Nankodo, Tokyo, Japan, June 1993 to October 2000

Part-time Lecturer (Fundamentals of Nursing Research), Tokyo Metropolitan Toshima School of Nursing, Tokyo, Japan, April 1995 to March 1999

Part-time Lecturer (Discourse on family support, Undergraduate course), Yamanashi College of Nursing, Yamanashi, Japan, April 2000 to March 2004

Part-time Lecturer (Pathology, physiology and immunology, Family health care nursing, Special lecture on family health care nursing II, Master course), The University of Tokyo, Tokyo, Japan, April 2001 to March 2013 (Family health care nursing), April 2001 to March 2017 (Pathology, physiology and immunology, Special lecture on family health care nursing II)

Part-time Lecturer (Child health care nursing), Amami School of Nursing and Welfare, Kagoshima, Japan, April 2001 to March 2003

Part-time Lecturer (Child health care nursing), Saga City Medical Association Nursing School, Saga, Japan, April 2001 to March 2015

Health Care Worker (Nurse), Kobe University Hospital, Hyogo, Japan, June 2001 to present

Part-time Lecturer (Child health care nursing, Undergraduate course), The University of Shiga Prefecture, Shiga, Japan, April 2002 to March 2004

Part-time Lecturer (Discourse on family health care nursing, Undergraduate course), Kagawa Medical University, Kagawa, Japan, April 2002 to March 2004

Part-time Lecturer (Child health care nursing), Yame Chikugo School of Nursing, Fukuoka, Japan, April 2002 to March 2007

Part-time Lecturer (Child health care nursing, Discourse on family), Rakuwakai Kyoto Health and Welfare School (Formerly, Rakuwakai Kyoto School of Nursing), Kyoto, Japan, April 2002 to March 2015 (Child health care nursing), April 2010 to present (Discourse on family)

Part-time Lecturer (Child health care nursing), Fukuoka City Medical Nursing School, Fukuoka, Japan, April 2003 to March 2008

Part-time Lecturer (Child health care nursing), Sasebo Medical Association Nursing School, Nagasaki, Japan, April 2003 to March 2014, April 2015 to March 2016, April 2017 to present

Part-time Lecturer (Child health care nursing), Maronie School of Health and Welfare Sciences, Tochigi, Japan, April 2005 to March 2006

Part-time Lecturer (Discourse on family health care nursing, Undergraduate course), Hyogo University of Health Sciences, Hyogo, Japan, April 2011 to March 2013

Part-time Lecturer (Basic theory of child health and nursing, Undergraduate course), Kansai University of International Studies, Hyogo, Japan, April 2016 to September 2016

Part-time Lecturer (Child health and development nursing: Theory and system, Doctoral course), Graduate School of Nursing, Osaka City University, Osaka, Japan, April 2016 to present

Special mention:

Pediatric nurse intern, April 1998 to March 1999
Toho University Ohashi Hospital, Tokyo, Japan

Pediatric nurse intern, April 1999 to March 2000
The University of Tokyo Branch Hospital, Tokyo, Japan

Professional certifications: Public Health Nurse (PHN) (Issue no. 251), April 1998
Registered Nurse (RN) (Issue no. 21887), April 1999
Health Supervisor (HS) (Issue no. 13000780731), May 1999
Licensed School Nurse (LSN) (Tokyo Metropolitan Board of Education, Issue no. Hei 12 yo 2 dai 14
gou), April 2000
Certified Intermediate Specialist in Family Support (CISFS) (Issue no. 1), August 2017

Funded Competitive Research Grants

G-001)

Watanabe, Y., Ohtake, H., Kaneko, S., Kojima, K., Sora, I., Takeuchi, H., Takekoshi, M., Tanda, S., Hamada, T., Hohashi, N. (Co-Investigator, share of contribution is 20%), Hosokawa, K., & Yokoo, H. *An international joint survey concerning the harnessing of electronic communications networks utilizing translation support software in the medical biological field.* Research grant from the Telecommunications Advancement Foundation, FY1992. 2,000,000 JPY (approx. 15,912 USD based on exchange rate at the time of receipt).

G-002)

Sugishita, C., & Hohashi, N. (Co-Investigator, share of contribution is 50%) *Study on environmental improvements in care at home: Prevalence of MRSA carriers and route of MRSA transmission.* Grant-in-Aid for General Scientific Research (B) from the Ministry of Education, Science and Culture in Japan (Grant no. 07457567), FY1995-FY1996. 5,400,000 JPY (approx. 52,250 USD based on exchange rate at the time of receipt).

G-003)

Hohashi, N. (Principal Investigator, share of contribution is 40%), Tezuka, K., Nakatani, Y., & Kigawa, M. *The effects of stress from white noise on hemodynamics, segmented by levels of obesity.* Research grant from Japan Foundation of Cardiovascular Research, FY1996. 3,000,000 JPY (approx. 25,884 USD based on exchange rate at the time of receipt).

G-004)

Hohashi, N. (Principal Investigator, share of contribution is 100%) *Development of nursing educational systems through multimedia.* Grant-in-Aid for Encouragement of Scientists (A) from the Ministry of Education, Science and Culture in Japan (Grant no. 08772157), FY1996. 900,000 JPY (approx. 7,765 USD based on exchange rate at the time of receipt).

G-005)

Sugishita, C., & Hohashi, N. (Co-Investigator, share of contribution is 40%) *Infection control among nursing mothers and neonates, and related quality of nursing care: According to analyses of bacteria including MRSA in a maternity clinic.* Grant-in-Aid for Scientific Research (B) (2) from the from the Ministry of Education, Science and Culture in Japan and the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 10470528), FY1998-FY1999. 10,200,000 JPY (approx. 90,106 USD based on exchange rate at the time of receipt).

G-006)

Hohashi, N. (Principal Investigator, share of contribution is 100%) *Research related to effects on family functioning by mothers' accompaniment at pediatric hospital wards.* Grant-in-Aid for Encouragement of Scientists (A) from the from the Ministry of Education, Science and Culture in Japan and the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 10771378), FY1998-FY1999. 1,200,000 JPY (approx. 10,601 USD based on exchange rate at the time of receipt).

G-007)

Sugishita, C., Hayashi, K., Yamamoto-Mitani, N., Hohashi, N. (Co-Investigator, share of contribution is 10%), & Mitsuhashi, K. *Development of assessment tools for the family system and care activities utilizing a two-dimensional scale.* Grant-in-Aid for Exploratory Research from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 11877433), FY1999-FY2000. 2,100,000 JPY (approx. 20,546 USD based on exchange rate at the time of receipt).

G-008)

Hohashi, N. (Principal Investigator, share of contribution is 100%) *Assessment of family functioning utilizing the newly developed Japanese-language Feetham Family Functioning Survey: Centered on effects of home nursing and nursing at medical institutions on family functioning.* Grant-in-Aid for Encouragement of Scientists (A) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 12771485), FY2000-FY2001. 2,300,000 JPY (approx. 20,128 USD based on exchange rate at the time of receipt).

G-009)

Sugishita, C., Kamibeppu, K., Murata, K., Hohashi, N. (Co-Investigator, share of contribution is 10%), Torii, H., Ohwaki, M., & Hayashi, K. *Development of practical models of continual nursing systems linked to localities aimed at the families and their children with illness or handicaps at home.* Grant-in-Aid for Scientific Research (B) (1) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 13470533), FY2001-FY2003. 12,100,000 JPY (approx. 101,903 USD based on exchange rate at the time of receipt).

G-010)

Ohwaki, M., & Hohashi, N. (Co-Investigator, share of contribution is 40%) *Development of a nursing intervention program for mentally retarded children at home and their families on the internet.* Grant-in-Aid for Scientific Research (C) (1) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 14572311), FY2002-FY2004. 3,700,000 JPY (approx. 31,161 USD based on exchange rate at the time of receipt).

G-011)

Murata, K., Hohashi, N. (Co-Investigator, share of contribution is 30%), & Uchi, M. *Nursing intervention and educational program based on life skills development for chronically ill children and their families.* Grant-in-Aid for Scientific Research (B) (2) from the

Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 14370817), FY2002-FY2004. 6,300,000 JPY (approx. 53,057 USD based on exchange rate at the time of receipt).

G-012)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Murata, K., & Feetham, S. L. *Development of the FFFS Japanese language version II for evaluation of the family functions in Japanese families and its clinical applications in family health nursing.*

Grant-in-Aid for Scientific Research (B) (2) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 15390670), FY2003-FY2005. 8,400,000 JPY (approx. 78,263 USD based on exchange rate at the time of receipt).

G-013)

Sugishita, C., Torii, H., Ohwaki, M., Okino, Y., Hohashi, N. (Co-Investigator, share of contribution is 10%), Ishigaki, K., Yamamoto-Mitani, N., Kawahara, N., Narita, Y., Hayashi, K., & Iida, Y. *Development of nursing programs to support the self-empowerment of handicapped children and adults living in regional areas: Development and practice of home-type models.*

Health Labour Sciences Research Grant (General research expenditures for realizing health safety, medical technology assessment general research business) from the Ministry of Health Labour and Welfare in Japan (Grant no. H16-Medical-023), FY2004-FY2006. 9,000,000 JPY (approx. 87,934 USD based on exchange rate at the time of receipt).

G-014)

Hohashi, N. (Principal Investigator, share of contribution is 50%), & Murata, K. (in FY2005 only), Feetham, S. L. *Testing Japan's family functioning assessment methods by ethnography and family functioning measurements.* Grant-in-Aid for Exploratory Research from the Ministry of Education, Culture, Sports, Science and Technology (MEXT) in Japan and the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 17659691), FY2005-FY2007. 3,200,000 JPY (approx. 27,188 USD based on exchange rate at the time of receipt).

G-015)

Murata, K., Hohashi, N. (Co-Investigator, share of contribution is 30%), Uchi, M., & Nishiyama, C. *Development of the programs for health promotion of children with chronic diseases and their family by nurturing life skills and establishing their methods of utilization.* Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 17390580), FY2005-FY2007. 7,000,000 JPY (approx. 59,473 USD based on exchange rate at the time of receipt).

G-016)

Ohwaki, M., Hohashi, N. (Co-Investigator, share of contribution is 40%), & Kobayashi, K. (in FY2007 only) *Nursing intervention for cognitive development and social participation through synthesized voice expression for children with expressive language and mental handicaps.* Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 17592260), FY2005-FY2007. 3,770,000 JPY (approx. 32,031 USD based on exchange rate at the time of receipt).

G-017)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Hamamoto, C., & Kobayashi, K. (in FY2007, FY2008 only) *The development of an assessment model for family functioning of the Japanese family and establishing its clinical applications in family health care nursing.* Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 18390585), FY2006-FY2008. 8,980,000 JPY (approx. 75,456 USD based on exchange rate at the time of receipt).

G-018)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Kobayashi, K. (in FY2008, FY2009 only), Hiratani, Y. (in FY2010 only), & Honda, J. (in FY2010 only) *Development of methods of assessment for determining family functioning levels as the family unit from individual family members' assessment.* Grant-in-Aid for Exploratory Research from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 20659349), FY2008-FY2010. 3,100,000 JPY (approx. 34,100 USD based on exchange rate at the time of receipt).

G-019)

Ohwaki, M., Hohashi, N. (Co-Investigator, share of contribution is 20%), Suzuki, I., & Kato, S. (in FY2009-FY2011 only) *Development of a nursing support system for autonomy and independence of children with developmental disorder in the community.* Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 20592594), FY2008-FY2012. 4,550,000 JPY (approx. 50,049 USD based on exchange rate at the time of receipt).

G-020)

Ishigaki, K., Yamamoto-Mitani, N., Katakura, N., Hohashi, N. (Co-Investigator, share of contribution is 20%), Honda, A., & Ito, R. *Development of indicator of constrained beliefs to help family decision making.* Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 20390568), FY2008-FY2010. 19,370,000 JPY (approx. 213,068 USD based on exchange rate at the time of receipt).

G-021)

Ryugo, C., Kokabu, H., & Hohashi, N. (Co-Investigator, share of contribution is 10%) *Analysis of a preparation model for parents to alleviate the infants' stress in receiving blood taking.* Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 20592609), FY2008-FY2010. 3,380,000 JPY (approx. 37,180 USD based on

exchange rate at the time of receipt).

G-022)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Kobayashi, K. (in FY2009 only), Fukahori, H., Hamamoto, C., Horiguchi, K. (in FY2010 only), & Honda, J. (in FY2010, FY2011 only) *Development of a family intervention model and standard family health care nursing plan based on the Concentric Sphere Family Environment Model*. Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 21390591), FY2009-FY2011. 8,970,000 JPY (approx. 96,410 USD based on exchange rate at the time of receipt).

G-023)

Hohashi, N. (Principal Investigator, share of contribution is 50%), & Honda, J. *A proposal for replacement of "Family Development Theory" with "Growth and Development Segments for the Family System Unit" and field-based research*. Grant-in-Aid for Challenging Exploratory Research from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 23660064), FY2011-FY2013. 3,510,000 JPY (approx. 45,620 USD based on exchange rate at the time of receipt).

G-024)

Miki, Y., Hohashi, N. (Co-Investigator, share of contribution is 30%), & Maekawa, A. *Research into family intervention related to sexuality*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 23593355), FY2011-FY2013. 2,470,000 JPY (approx. 32,103 USD based on exchange rate at the time of receipt).

G-025)

Ishigaki, K., Yamamoto-Mitani, N., Katakura, N., Hohashi, N. (Co-Investigator, share of contribution is 30%), Honda, A., & Ito, R. *Development of family belief assessment methods for promoting effective family intervention*. Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 23390519), FY2011-FY2013. 18,460,000 JPY (approx. 239,927 USD based on exchange rate at the time of receipt).

G-026)

Ryugo, C., Hohashi, N. (Co-Investigator, share of contribution is 20%), & Kokabu, H. *Development of preparation models for children who receiving medical treatment and their parents on an outpatient basis at general hospitals*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 23593347), FY2011-FY2014. 4,550,000 JPY (approx. 59,137 USD based on exchange rate at the time of receipt).

G-027)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Honda, J., Fukahori, H., & Hamamoto, C. *Clinical applications and empirical investigation of family assessment/family intervention models based on the Concentric Sphere Family Environment Theory*. Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 24390498), FY2012-FY2014. 11,180,000 JPY (approx. 106,000 USD based on exchange rate at the time of receipt).

G-028)

Ohwaki, M., Suzuki, I., Hohashi, N. (Co-Investigator, share of contribution is 10%), Nakamura, Y. (in FY2015, FY2016, FY2017 only), & Ito, K. (in FY2017 only) *Development of smooth early diagnosis and early intervention methods for care givers of children with developmental disorders*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 25463498), FY2013-FY2017. 5,200,000 JPY (approx. 49,401 USD based on exchange rate at the time of receipt).

G-029)

Hohashi, N. (Principal Investigator, share of contribution is 40%), & Honda, J. *Tests for a gold standard for diagnosing insufficient family functioning and family nursing needs and their empirical investigations*. Grant-in-Aid for Challenging Exploratory Research from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 26670981), FY2014-FY2016. 3,640,000 JPY (approx. 30,420 USD based on exchange rate at the time of receipt).

G-030)

Kobayashi, K., Yamaguchi, E., Hohashi, N. (Co-Investigator, share of contribution is 20%), Tamura, A., & Rikiishi, T. *Constructing nurse educational programs and family intervention for long-term following toward patients having experienced pediatric cancer and their families*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 26463429), FY2014-FY2018. 5,070,000 JPY (approx. 42,370 USD based on exchange rate at the time of receipt).

G-031)

Miki, Y., Hohashi, N. (Co-Investigator, share of contribution is 30%), & Maekawa, A. *Development of sexuality models and measurement linked to individual and family well-being*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 26463390), FY2014-FY2016. 3,900,000 JPY (approx. 32,592 USD based on exchange rate at the time of receipt).

G-032)

Shimada, N., Hohashi, N. (Co-Investigator, share of contribution is 30%), & Honda, J. *Construction of assessment indices for family relations receiving home care and consideration of support for families in which family relations are disrupted*. Home treatment

subsidy from the Yuumi Memorial Foundation for Home Health Care, FY2014 (second half). 499,000 JPY (approx. 4,172 USD based on exchange rate at the time of receipt).

G-033)

Hohashi, N. (Principal Investigator, share of contribution is 50%), Honda, J., Fukahori, H., & Hamamoto, C. *Establishment of guidelines and family intervention models for family health care nursing based on family signs/symptoms based on the Concentric Sphere Family Environment Theory*. Grant-in-Aid for Scientific Research (B) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 15H05084), FY2015-FY2017. 8,060,000 JPY (approx. 67,386 USD based on exchange rate at the time of receipt).

G-034)

Hiratani, Y., Horiguchi, K., Kotera, S., & Hohashi, N. (Co-Investigator, share of contribution is 20%). *Development of intervention needs assessment tools for use with single-parent families, and assessment of their reliability and validity*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 15K11657), FY2016-FY2017. 1,950,000 JPY (approx. 17,924 USD based on exchange rate at the time of receipt).

G-035)

Ryugo, C., Suzuki, M., Hohashi, N. (Co-Investigator, share of contribution is 20%), Kokabu, H., & Hirata, M. *Developing a preparation model for multidisciplinary cooperation: Seeking to establish preparation*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 16K12185), FY2016-FY2019. 4,290,000 JPY (approx. 39,423 USD based on exchange rate at the time of receipt).

G-036)

Miki, Y., Hohashi, N. (Co-Investigator, share of contribution is 30%), Maekawa, A., & Kunikata, H. *Research into development of approaches to improve sexuality*. Grant-in-Aid for Scientific Research (C) from the Japan Society for the Promotion of Science (JSPS) in Japan (Grant no. 17K12309), FY2017-FY2019. 4,160,000 JPY (approx. 37,378 USD based on exchange rate at the time of receipt).

G-037)

Miki, Y., Hohashi, N. (Co-Investigator, share of contribution is 30%), Maekawa, A., Kunikata, H., Sawai, N., & Takagi, Y. *An approach to sexuality support conducted by WOC nurses: Eliciting therapeutic conversation*, Grant for technological research sponsored by ALCARE, FY2017. 400,000 JPY (approx. 3,566 USD based on exchange rate at the time of receipt).

G-038)

Kobayashi, K., Kamei, T., Asano, M., Hohashi, N. (Co-Investigator, share of contribution is 30%), Meguro, S., Nishigaki, K. & Sawaguchi, M. *Development of a multigenerational coexistence model through transactional analysis of generation rearing children and elderly generation on daily basis*. Grant for research collaboration in Japan sponsored by Pfizer Health Research Foundation, FY2017. 1,300,000 JPY (approx. 11,623 USD based on exchange rate at the time of receipt).

Activities in Academic Societies/Community Service

S-001)

International Family Nursing Association (IFNA) (Founded August 1, 2009)

Member, 2009-present

Director, 2009-2014, 2016-present; Vice chairperson of 10th International Family Nursing Conference, 2011; Member of the Nominating Committee, 2016-present

S-002)

Transcultural Nursing Society (TCNS)

Member, 2009-present

Editorial Board Member for the *Journal of Transcultural Nursing* (Journal Impact Factor: 1.262 for 2016), 2011-present

S-003)

International Association for Human Caring (IAHC)

Member, 2012-present

Chairperson of 35th International Association for Human Caring Conference, 2014; Editorial Advisory Board of the *International Journal for Human Caring*, 2014-present

S-004)

Society of Pediatric Nurses (SPN)

Member, 2016-present; Manuscript review panel of the *Journal of Pediatric Nursing* (Journal Impact Factor: 1.006 for 2014), 2016-present

S-005)

American Academy of Nursing (AAN)

Member, 2016-present; Member of Child, Adolescent, and Family (CAF) Expert Panel, 2016-present

S-006)

Sigma Theta Tau International (STTI)

Member, 2011-present

S-007)

National Council on Family Relations (NCFR)

Member, 2017-present

S-008)

American Medical Informatics Association (AMIA)

Member, 1999-2008

Member of International Affairs Committee, 2002; Member of Publications Committee, 2002

S-009)

Japanese Nursing Association (JNA)

Member, 2006-present

Ad-hoc reviewer of the *Journal of Japanese Nursing Association: Pediatric Nursing*, 2005-2007; Delegate, 2017-2018; Delegate of the Hyogo Nursing Association, 2017-2018

S-010)

Japan Nursing Federation

Member, 2006-present

S-011)

Japanese Association for Research in Family Nursing (JARFN) (Founded October 1, 1994)

Member, 1994-present

Advisor, 1994-2000; Councilor, Member of Constitution and Bylaws Committee, Member of Association Registration Committee, 2000-2003; Ad-hoc reviewer of the *Japanese Journal of Research in Family Nursing*, 2001-present; Member of Public Relations Committee, 2004-2010; Director, 2007-present; Chairperson of the International Exchange Committee; 2007-present; Chairperson of 18th Annual Conference of Japanese Association for Research in Family Nursing, 2011; Chairperson of Election Secretariat, 2011-2012

S-012)

Japanese Society of Child Health Nursing (JSCHN) (Formerly, Japan Child Health Research Association)

Member, 1997-present

Head of the Secretariat of 11th Conference of Japanese Society of Child Health Nursing, 2001; Ad-hoc reviewer of the *Journal of Japanese Society of Child Health Nursing*, 2008-2018; Councilor, 2010-2013; Delegate, 2013-2017; Member of Research Achievement Award Nomination Committee, 2010-2014

S-013)

Japanese Society of Child Health (JSCH)

Member, 1989-1996, 2001-present

Ad-hoc reviewer of the *Journal of Child Health*, 2015-present

S-014)

Japan Academy of Nursing Science (JANS)

Member, 2001-present

Ad-hoc reviewer of the *Journal of Japan Academy of Nursing Science*, 2006-2013; Editor of the *Japan Journal of Nursing Science* (Journal Impact Factor: 0.388 for 2014), 2013-present; Delegate, 2015-present; Member of Research Conflict of Interest Committee, 2015-2017; Member of the Public Relations Committee, 2017-present

S-015)

Japan Society of Nursing Research (JSNR)

Member, 2008-present

Ad-hoc reviewer of the *Journal of Japan Society of Nursing Research*, 2012-present; Director/Councilor, 2014-present; Editor-in-Chief of the *Journal of Japan Society of Nursing Research*, 2014-present

S-016)

Japan Society of Nursing and Health Care (JSNHC)

Member, 2008-present

Councilor, 2011-2014, 2017-2020; Ad-hoc reviewer of *Journal of Japan Society of Nursing and Health Care*, 2011-2014, 2017-2020 ; Chairperson of 22nd Annual Meeting of Japan Society of Nursing and Health Care, 2020

S-017)

Japanese Association of Computer Science (JACS) (Presently, Japan Association of Applied IT Healthcare) (Founded August 1, 1994)

Member, 1994-2015

President, 1994-2000; Honorary President, 2000-2006

S-018)

Japan Association for Medical Informatics (JAMI)

Member, 1993-2015

Councilor, 2000-2003

S-019)

Japan Society of Rural and Remote Area Nursing (JSRAN)

Member, 2008-present

Ad-hoc reviewer of *Japan Journal of Rural and Remote Area Nursing*, 2017-2020

S-020)

Society of Cultural Nursing Studies (SCNS)

Member, 2012-present

Director/Councilor, 2014-present; Chairperson of the Research Activities Promotion Committee; 2014-present

S-021)

Japan Primary Care Association (JPCA)

Member, 2010-2015

S-022)

Nursing Ergonomics Group, Japan Ergonomics Society

Member, 2002-2015

S-023)

Japanese Society for Infection Prevention and Control (JSIPC)

Member, 2000-2014

S-024)

Japanese Society of Health and Human Ecology (JSHHE)

Member, 1996-2014

S-025)

Japanese Society of Public Health (JSPH)

Member, 2000-2003, 2017-present

S-026)

Japanese Association of School Health (JASH)

Member, 2006-present

S-027)

Japanese Society of Stoma and Continence Rehabilitation (JSSCR)

Member, 2011-2012, 2015-present

S-028)

The Society for the Study of the Concentric Sphere Family Environment Theory (SSCSFET) (Formerly, The society for the study of the Concentric Sphere Family Environment Model (SSCSFEM)) (Founded October 1, 2007)

Member, 2007-present

President, 2007-present

S-029)

Digital Biocolor Society

Member, 2000-present

Director, 2000-present

S-030)

Japan Foundation of Cardiovascular Research

Trustee, 2002-2005

S-031)

Japan Society for the Promotion of Science (JSPS)

Member of Judging Committee on Grants-in-Aid for Scientific Research; 2008-2013, 2015-2016

S-032)

Japanese Association of Nursing Programs in University (JANPU)

Member of Certification Committee for Certified Nurse Specialist Program, Field of Family Nursing, 2008-present; Delegate, 2012-present

S-033)

Hyogo Association of Nursing Programs in University (HANPU)

Member, 2012-present

Vice president, 2017-2019

S-034)

Kobe City Board of Education

Member of Medical Care Contact Consultation Group, 2006-2014; Member of Medical Care Certification Study Implementation Committee and Medical Care Contact Group, 2014-present

S-035)

Watson Caring Science Institute (WCSI)

Member, 2017-present

Member of International Planning Committee of Global Human Caring Conference - China, 2015-2016

S-036)

Japanese Society of Pediatric Oncology Nursing (JSPON)

Member, 2016-present

S-037)

Kobe Municipal Tomogaoka Junior High School

School councilor, 2016-present

Awards and Honors

A-001)

Recipient of Outstanding Poster Award for the work entitled “Support expected from pediatric nurses by families with hospitalized children in Japan” at the Asia-Pacific Nursing Research Conference 2014, 13 September, 2014

A-002)

Named a Transcultural Nursing Scholar by the Transcultural Nursing Society (TNS), 23 October, 2014

A-003)

Recipient of Innovative Contribution to Family Nursing Award by the International Family Nursing Association (IFNA), 21 August, 2015

A-004)

Recipient of Excellent Organization Award at the 2016 Global Human Caring Conference, 16 October, 2016

A-005)

Named a Fellow of the American Academy of Nursing (FAAN) by the American Academy of Nursing (AAN), 22 October, 2016

A-006)

Recipient of 2016 Society Award for the work entitled “Development, validity and reliability of the Sexuality Satisfaction Index in patients with Inflammatory Bowel Disease (SEXSI-IBD)” by the Japanese Society of Stoma and Continence Rehabilitation (JSSCR), 17 February, 2017

A-007)

Recipient of Poster Award (First Place Award) for the work entitled “Establishing a cut-off point in the SFE-J to assess family dysfunction scores in preliminary groups of dysfunctional Japanese families” at the 13th International Family Nursing Conference, 15 June, 2017

A-008)

Recipient of Poster Award (Second Place Award) for the work entitled “A literature review of factors influencing parental role attainment in parents: An analysis based on the Concentric Sphere Family Environment Theory” at the 13th International Family Nursing Conference, 16 June, 2017

Presentations/Posters

P-001)

Sugishita, C., Wakamiya, M., & Hohashi, N. (1989, February). *Results of measuring pair serum samples after MMR vaccine immunization with an ELISA Kit (Measlestat, Mumpsstat, Rubestat)*. Paper presented at the 8th Ministry of Health and Welfare ELISA Research Meeting, Shinjyuku-ku, Tokyo (Japan). [In Japanese]

P-002)

Sugishita, C., & Hohashi, N. (1989, April). *Measurement of measles virus-specific sIgA in mother's milk*. Paper presented at the 63rd Annual Meeting of the Japanese Association for Infectious Diseases, Morioka-shi, Iwate (Japan). [In Japanese]

P-003)

Hohashi, N., Sugishita, C., Yoneyama, K., & Higurashi, M. (1989, November). *The levels of sIgA in human mother's milk and problems in the measurement of measles virus-specific sIgA*. Paper presented at the 36th Annual Meeting of the Japanese Society of Child Health, Hiroshima-shi, Hiroshima (Japan). [In Japanese]

P-004)

Kadowaki, Y., Yoshioka, S., Hohashi, N., Toyoshima, K., & Yamamoto, T. (1990, November). *The targeting enhancer element for the erbA-related gene ear*. Paper presented at the 13th Annual Meeting of the Molecular Biology Society of Japan, Kyoto-shi, Kyoto (Japan). [In Japanese]

P-005)

Iida, M., Fukuoka, H., Hohashi, N., Higurashi, M., Sato, A., Wakayama, M., & Matsuura, K. (1991, September). *Reviewing the clinical effectiveness of the newly proposed child-rearing diary*. Paper presented at the 32nd Annual Meeting of Japan Society of Maternal Health, Hamamatsu-shi, Shizuoka (Japan). [In Japanese]

P-006)

Hohashi, N., Hayashi, T., Fusaki, N., Takeuchi, M., Semba, K., Higurashi, M., Okamoto, T., & Yamamoto, T. (1992, September). *The human Fyn gene product activates transcription from human immunodeficiency virus via activation of kappa B-binding proteins*. Paper presented at the 51st Annual Meeting of the Japanese Cancer Association, Osaka-shi, Osaka (Japan). [In Japanese]

P-007)

Hohashi, N., Kaneko, S., Sora, I., Hayashi, H., Hosokawa, K., Masaki, S., & Watanabe, Y. (1992, October). *Conducting research on the Bio-Net communications network and research support by means of gene analysis online software*. Paper presented at the 65th Annual Meeting of the Japanese Biochemical Society, Fukuoka-shi, Fukuoka (Japan). [In Japanese]

P-008)

Watanabe, Y., Kaneko, S., Sora, I., Hayashi, H., Hohashi, N., Hosokawa, K., & Masaki, S. (1992, November). *Use of Bio-Net as a research support tool in molecular biology*. Paper presented at the 15th Annual Meeting of the Molecular Biology Society of Japan, Kyoto-shi, Kyoto (Japan). [In Japanese]

P-009)

Watanabe, Y., Kaneko, S., Sora, I., Hayashi, H., Hohashi, N., Hosokawa, K., & Masaki, S. (1992, November). *Use of Bio-Net communications network as a support tool for genome analysis researchers*. Paper presented at the 3rd Genome Informatics Workshop, Yokohama-shi, Kanagawa (Japan). [In Japanese]

P-010)

Hohashi, N., Kaneko, S., Sora, I., Hayashi, H., Hosokawa, K., Masaki, S., & Watanabe, Y. (1992, November). *Demonstration of online access to the Bio-Net communications network and online software genome analysis utilizing personal computer communications*. Paper presented at the 3rd Genome Informatics Workshop, Yokohama-shi, Kanagawa (Japan). [In Japanese]

P-011)

Sugishita, C., Kawana, A., Hohashi, N., Sasajima, M., Tejima, R., & Higurashi, M. (1993, November). *Detection of IgM antibodies in serum of rubella patients via the mu-capture method and indirect method*. Paper presented at the 25th Annual Meeting of the Japanese Society for Pediatric Infectious Diseases, Sendai-shi, Miyagi (Japan). [In Japanese]

P-012)

Hohashi, N., Sugishita, C., Tejima, R., & Kurahashi, T. (1993, November). *Status of presence of IgG antibodies for measles, mumps, rubella and chickenpox among primary school children in the third grade, broken down by naturally acquired or vaccine induced immunity*. Paper presented at the 25th Annual Meeting of the Japanese Society for Pediatric Infectious Diseases, Sendai-shi, Miyagi (Japan). [In Japanese]

P-013)

Isono, Y., Sugishita, C., & Hohashi, N. (1994, August). *Construction of a nurse education system using multimedia (first report)*. Paper presented at the 2nd Conference of Japanese Association of Computer Science, Minato-ku, Tokyo (Japan). [In Japanese]

P-014)

- Sugishita, C., Morotomi, C., Hohashi, N., & Yashima, T. (1995, January). *Review of antibody measurement methods following HB vaccine inoculations: Comparisons of PA, HI and NT methods*. Paper presented at the 14th Ministry of Health and Welfare ELISA Research Meeting, Shibuya-ku, Tokyo (Japan). [In Japanese]
P-015)
- Hohashi, N. (1995, February). *The education revolution through multimedia*. Keynote address conducted at the 3rd Conference of Japanese Association of Computer Science, Chiyoda-ku, Tokyo (Japan). [In Japanese]
P-016)
- Sugishita, C., Yonezawa, H., Hohashi, N., Iida, Y., Komoda, F., Iwata, T., & Hayakawa, H. (1995, August). *The significance of guidance for mothers of allergic children with regard to dietary restrictions*. Paper presented at the XVth World Conference of the International Union for Health Promotion and Education, Chiba-shi, Chiba (Japan).
P-017)
- Hohashi, N. (1995, September). *A primer for Macintosh beginners*. Preconference workshop conducted at the 4th Conference of Japanese Association of Computer Science, Minato-ku, Tokyo (Japan). [In Japanese]
P-018)
- Sugishita, C., Kawana, A., Hohashi, N., & Hirayama, M. (1995, November). *Concerning the 1992 rubella epidemic among university students*. Paper presented at the 27th Annual Meeting of the Japanese Society for Pediatric Infectious Diseases, Wakayama-shi, Wakayama (Japan). [In Japanese]
P-019)
- Takayanagi, M., Hohashi, N., Kigawa, M., Shizuka, M., Tsuchiya, H., Nishikawa, H., Nakatani, Y., Matsui, K., Toyokawa, H., Murai, T., & Sugishita, C. (1995, November). *Concerning conditions of antibodies for pediatric infectious diseases present in adults: Status of measles, rubella and mumps antibodies in nursing students*. Paper presented at the 42nd Annual Meeting of Japanese Association of School Health, Chiba-shi, Chiba (Japan). [In Japanese]
P-020)
- Iwata, T., Hayakawa, H., Komoda, F., Sugishita, C., Hohashi, N., Inoue, K., Honjou, M., Otani, T., & Hirakawa, N. (1996, April). *Allergy health examination and follow-up survey on nursing infants in Bunkyo ward, Tokyo*. Paper presented at the 99th Annual Meeting of the Japan Pediatric Society, Kumamoto-shi, Kumamoto (Japan). [In Japanese]
P-021)
- Hohashi, N., Kigawa, M., Nakatani, Y., & Tezuka, K. (1996, November). *The hemodynamics of stress caused by white noise broken down by different segments of obesity (first report)*. Paper presented at the 61st Annual Meeting of the Japanese Society of Health and Human Ecology, Okayama-shi, Okayama (Japan). [In Japanese]
P-022)
- Ito, M., Kageyama, S., Nakano, S., Ishii, H., Kurusu, H., Tateishi, K., Hohashi, N., & Mitani, H. (1997, May). *Use of multimedia at allergy diagnosis and the training venue: Teleconferencing systems and the internet*. Paper presented at the 9th Spring Meeting of Japanese Society of Allergology, Chiba-shi, Chiba (Japan). [In Japanese]
P-023)
- Nakatani, Y., Hohashi, N., Kigawa, M., Tezuka, K., Sugishita, C., & Toyokawa, H. (1997, October). *The hemodynamics of stress caused by white noise broken down by different segments of obesity (second report)*. Paper presented at the 44th Annual Meeting of the Japanese Society of Nutrition and Dietetics, Fukuoka-shi, Fukuoka (Japan). [In Japanese]
P-024)
- Hohashi, N. (1997, October). *Starting out on the internet*. Tutorial workshop conducted at the 8th Conference of Japanese Association of Computer Science, Chuo-ku, Tokyo (Japan). [In Japanese]
P-025)
- Nakatani, Y., Hohashi, N., Kigawa, M., Tezuka, K., Sugishita, C., & Toyokawa, H. (1997, November). *The hemodynamics of stress caused by white noise broken down by different segments of obesity (third report)*. Paper presented at the 62nd Annual Meeting of the Japanese Society of Health and Human Ecology, Maebashi-shi, Gunma (Japan). [In Japanese]
P-026)
- Hohashi, N. (1997, November). *Beginning internet for medical practitioners*. Special lecture conducted at the 44th Obstetricians Informatics Study Meeting, Shibuya-ku, Tokyo (Japan). [In Japanese]
P-027)
- Hohashi, N. (1998, September). *Introduction to the newest QuickTime technology*. Special lecture conducted at the 47th Obstetricians Informatics Study Meeting, Yokohama-shi, Kanagawa (Japan). [In Japanese]
P-028)
- Nakatani, Y., Hohashi, N., Tezuka, K., Sugishita, C., & Toyokawa, H. (1997, October). *The hemodynamics of stress caused by white noise broken down by different segments of obesity (fourth report)*. Paper presented at the 45th Annual Meeting of the Japanese Society of Nutrition and Dietetics, Fukui-shi, Fukui (Japan). [In Japanese]

P-029)

Hohashi, N., Matsumoto, K., & Sugishita, C. (1999, August). *Nationwide survey of MRSA among home-care patients in Japan*. Paper presented at the 1st International Congress of the Asia Pacific Society of Infection Control, Wang Chai, Hong Kong (China).

P-030)
